

To Whom It May Concern,

My name is Raneem Sami Qudaih, and I would like to express my full readiness to take a preparatory year in the Hungarian language. I am very eager to learn Hungarian and to explore the rich and diverse Hungarian culture. I believe that this preparatory year will be a great opportunity to develop my language skills and gain a better understanding of the local society and culture, which will help me succeed in my future studies.

I am looking forward to this educational and cultural experience with great enthusiasm, and I promise to make the most of it.

Sincerely,
Raneem Sami Qudaih
